

Get Healthy. Lower Your Healthcare Costs.

SAVE ON GROUP HEALTH COSTS WITH THE **BUILDER BENEFITS** PROGRAM

- **Level-funded** group medical plans underwritten by "A" rated reinsurance carriers
- **Premium savings** averaging 5-15% from traditional health insurance plans
- **Integrated wellness incentives** and cash-rewards for employee participants and their families
- **Lower individual deductibles** with a \$500 deductible credit available to wellness participants
- **Proactive cost-containment measures** integrated to control costs and save you more
- **24/7/365 telemedicine**, outpatient lab, diabetic supplies and Rx benefits included

➤ **CONSTRUCTION SECTOR COMPANIES** now have access to preferred pricing for their group health coverage through the **Builder Benefits Program**. Our program offers the flexibility of level-funded group health coverage with the key features of cost

containment, integrated wellness, care coordination, and disease management. Save on premium costs and improve your bottom line with a benefits program that strategically manages healthcare costs and promotes employee wellness.
